Become an ETS Referral Partner and Enhance Your Profits

Referral Partner Program Overview

Use your business connections to enhance your sales and profits by becoming an Executive Technology Services Partner. Refer clients to ETS and earn cash and monthly residuals. Our partners grow to be our local resource network to which we share client opportunities, marketing strategies and revenue. Best of all, it's easy and free.

Be proud to affiliate with ETS!

We're the largest national technology services partner for growing and evolving small businesses. We offer comprehensive professional and managed IT services that help small businesses implement and support technology. You can be assured that our quality services and breadth of knowledge will increase the reliability, security and performance of IT systems and software.

How the Program Works

Complete the on-line [Partner Sign-Up Form](#). When approved, you will be given a unique Partner ID and sent a Welcome Kit. Refer leads to ETS and when they become clients, you will be paid a portion of the service revenue for up to two years.

Submitting a Lead

Enter your referral through our [Online Referral Form](#). Once approved, this referral will be linked to you. That's it.

Getting Paid, with Revenue and New Business

Reward incentives begin when your referral simply holds an appointment with us. When your referral becomes an ETS client, you will earn 10% of the first two months service revenue, plus an additional 3% of on-going services for up to 22 months!

Active referral partners are promoted through ETS's Partner MarketPlace, a portal where thousands of ETS clients can search for trusted small business resources.
